Service Dividends At Bill's Mohawk

People (including you and I) like service. And when people are offered a valuable service as a free dividend in appreciation for patronage, they appreciate it.

At least that's what everybody's saying who drives into Bill Siem's station at the corner of Mission and Acton streets. Each week Bill is offering a free SERVICE DIVIDEND to customers—one week it will be a cleaning job on spark plugs, another week it will be checking and cleaning battery terminals, another week it will be vacuuming the upholstery—and every week there will be announced a brand new type of dividend service for customers. Watch the ads in the Daly City Shopping News to see what Bill Siem is GOING TO DO NEXT!

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.
